

Principal's Message

2013 Leaders' Induction Ceremony

On Monday 18 Feb 2013 at a special school assembly, all of our leaders for 2013 were recognised and presented with their badges. Our School Captains and Vice Captains; School Leaders; Sports House Captains and Vice Captains; Band Captain and Vice-Captain; Student Council Representatives and all of our Yr 12 students were recognised at the event. I would like to congratulate and sincerely thank all of those students who have taken on a leadership role at Aviation High for this year.

Interact Club commenced

Friday 8 Feb 2013 saw members of the Rotary Club of Brisbane Airport present Aviation High with a Certificate recognising the establishment of an Interact Club at the school. Interact, being a community service group for students, will be an excellent addition to the range of extra-curricular opportunities available to our students. Some 25 students attended the first Interact meeting. I would like to thank the Rotary Club of Brisbane

Airport, in particular Mr Paul Hudson, who has worked hard to establish the Rotary linked Interact Club at the school.

Assessment planners

All of our students should now have a copy of the Assessment Planner for their subjects. It is crucial that students (and parents/caregivers) are aware of when their assignments, exams etc. are due so that they can plan and prepare in advance. If students have misplaced their planners they can be found on our website or by contacting their classroom teacher or the office.

District Swimming Carnival

Congratulations to all of our students who competed at the District Swimming Titles on Tuesday 19 Feb 2013. By all accounts, our students performed and behaved admirably and were a credit to the school. Well done.

Regards
Phil Cooper
Principal

R-L: Deanna Ellick Vice-Captain, Alex Brand Captain, Phil Cooper Principal, Claire Woodwell Captain, Mark Saengrat Vice-Captain

DEPUTY'S DESK

We've had a very hectic start to the school year. Having to close the school in the first few days caused some disruption but we are all on track now. Students in year 8 and 12 have returned from their respective camps and all reports from teachers and students were very positive. The School swimming carnival held at Wavell Heights State School was a great success and all the students can be congratulated for their fabulous behaviour and team spirit.

ASSESSMENT PLANNERS

All students have received a paper copy of their assessment planners. These can be used to great effect when students plan their assessment and study schedule. Parents can check the link on our website and download a copy. Students can also access a copy of a blank study planner on the website. Students should be planning their work/assessment commitments using the planners and then practicing and using the planners to assist them with time management. All students in all year levels should be making a habit of spending some time every night for doing their homework and assignments and reviewing what they have learned in the day. It's important that students have a quiet place away from Television, Phones and Social media.

SCHOOL DIARY

All students are issued with a school diary. This is a valuable aid in assisting students to become better organised. There is a place at the end of each week for parents to sign that they have viewed their child's diary entries. This can be a great place for parents to begin their involvement in their child's education process.

CYBER BULLYING

Aviation High's Responsible Behaviour Plan for Students (2013 – 2015) now has a section which addresses Cyber Safety and Bullying. Cyber Bullying will not be tolerated at Aviation High and the community need to be aware that the school will investigate and respond to any incidents of cyberbullying. This includes bringing the name of the school into disrepute. Cyberbullying often does not occur at school. Students will be explicitly taught Cyber Safety. This has already begun with some of our year 11 and 12 students.

DENIS BRIDGER

Last week, Year 11 and 12 students who are OP eligible were fortunate enough to hear Mr Denis Bridger address them on the calculation of OP. He had some very important messages for our students:

Do as well as you can in all your subjects
Do as well as you can on the QCS test
Be persistent – Don't give up easily
Practice applying your knowledge in new situations
Practice re doing work you may have completed – be flexible in your thinking, learn to think outside the square.
Good students do well not matter what school they attend!

Mandy Forbes
Deputy Principal

SCHOOL CHAPLAIN

A reminder Matt, our chaplain, is at school Mondays and Tuesdays. Matt can be contacted on 3637 0111 or matthewg@chappy.org.au. To make a booking contact the school office or visit Matt in E block.

For a range of great camping opportunities for high school age students this year, talk to Matt, grab a pamphlet from outside his office (E10), or check out sucamps.org.au. Schoolies, 2013 is also listed.

rev Matthew Govan
Chaplain

OFFICE

The School Office is open Monday to Friday from 8.00am to 4.00pm during school term. Messages including absences can be left on our phone outside of these hours.

Lost Property

Could parents please ensure that all items of uniform are clearly labelled, so that they can be returned the rightful owner when handed in as lost property.

Correspondence Via Email

Aviation High is committed to keeping parents/carers informed and is now sending some correspondence via email. Please ensure that the office has your correct email address. Please contact the school if you have any issues with this.

Captains
