

Dear Parent/Caregiver,

As part of Aviation High School's Student Wellbeing Program, we are pleased to invite your student to take part in the Year 7 Camp for 2024. The camp is being held from **Wednesday 2 to Friday 4 April 2025**.

The aim of the Year 7 camp is for our students to integrate into secondary schooling and build positive relationships with their peers early in the school year. As such, it is expected that students will attend this as part of our student wellbeing program. The camp will be held at **Maroochy Waterfront Camp at Maroochydore**.

The cost of the camp is approximately **\$420.00** for **three days and two nights**, and will cover transport, accommodation, meals, facilities and instructors. Costs may change should student numbers vary.

A medical consent form and payment details will be given to students on our Orientation Day, which is being held on Wednesday 27 November, 2024.

Yours sincerely,

David Munn

Principal

Mara Kitson

Deputy Principal

Caitlin Dolan
