YEAR EIGHT SCHOLARSHIPS

About the Scholarship
Aviation High Music Department is offering a number of scholarships for entry into the Classroom and Instrumental Music Program. Scholarships cover some of the consumable costs (such as reeds, drumsticks, sheet music, instrument maintenance) incurred by study in the field of music and are tenable for Grade 8 in Classroom and Instrumental Music.

Scholarship Tenability
The Principal may, at his discretion, decide not to award any or all of the Scholarships, in the event of applications failing to reach a satisfactory standard.

A Music Scholarship holder is required to take a lead in the music life of the school, and participate fully in curricular and extra-curricular music activities. The Principal can terminate a Scholarship at any time if he is not satisfied with the holder’s conduct or progress.

Types of Scholarships Offered
Aviation High offers two types of Music Scholarships

- **Classroom Music** - awarded to students whose studies in Classroom Music are of a VHA standard and who are dedicated to building a portfolio of composition and performance experiences. Candidates must submit a portfolio of composition or have an audition.

- **Instrumental Music** - awarded to students who excel in Instrumental Music Studies in Woodwind, Brass, and Percussion. Candidates must be a committed member of a school ensemble and be committed to fully participate in all performances by that ensemble.

Scholarships will be paid in two payments with the second payment dependent on a performance review.

Should you have any queries regarding the Music Scholarship Program, please contact the Head of Arts or the Music Coordinator on 3637 0111.
