

# LEARN WITH NO LIMITS

**SPECIAL OFFER:**  
Norton Security with Backup  
to protect whatever device  
you use for school work

## Norton™ Security with Backup for 1 Device (PC, Mac, Android or iOS)

Choice of 1 Year or 3 Years Protection

Using your own device at school or the office, you need security that adapts to the platform. We are offering Norton Security with Backup at a special discount for students, teachers and staff of the Queensland Department of Education, Training and Employment.

The product can be used with Windows®, Mac®, Android™ or iOS® devices (see **About the Product** for information on the protection and specifications for each platform).
