Presidents Report – Kerry Bond

Nothing much more to add from AGM. Kerry would like to note that the Uniform Shop sales are presently slow but will improve at the start of Term 2 with the cooler temperatures.

To be noted for future P&C Committees that Weareco is not owed any money. Stock that was returned was never credited & Weareco are still sending reminder notices. P&C QLD to be contacted re: Harassment as Kerry has tried many times to contact them in relation to the mail received.

Our Uniform Shop convenors salary was also accepted for the following 12 months at \$26.00 p/h

Accepted David Munn Seconded Brad Gilhooly

Fundraising Report

Sharon is attending the launch party for the 2017/2018 Entertainment Book on the 29th March. In 2016 – 22 Entertainment books were sold through AHS & received \$260.00 Commission – lets improve on that this year!!

Brad Gilhooly mentioned about Brisbane Airport Australia Grant that He has had success with at another school – Brad will be in contact with Roberta Lusa to apply for shade sails for the school.

Canteen Report - Nil

Uniform Shop Report – Mariane Anderson

1. Blazer orders have been placed. These are due back approximately 22/3. There is some concern that not all students have placed an order as currently we only have orders for 20.
2. Uniform passes for blazers will only be issued at the uniform shop if the order is delayed or a late order has to be placed. If the blazer is in stock but not paid for then a uniform pass will not be issued.
3. We are currently out of stock of size 57cm formal hats. We have uniform passes for the few students effected. New stock is due in next term.
4. School bags are selling well and was certainly something that new parents were interested in. We currently have less than half of our original order of 100 left in stock.
5. Sales overall have slowed, as expected after the back to school rush. Hopefully the cooler weather will encourage students to purchase jumpers and shell jackets.

Accepted Kay Gray Seconded Paul Baxter

New Business

Voluntary Contributions Letter to Parents approved by all in attendance to continue in 2018.

David was asked if there has been any follow-up from Qantas/Boeing visits to AHS - David has written follow-up letters to both Companies and is awaiting replies from both and is disappointed that nothing has come of these visits.

Denise Dunn is also waiting to hear back from Aerospace Gateway Schools program – again disappointed that nothing has happened.
