

Accessing Student Results on OneSchool

The following document is intended for students at Aviation High School and provides details on the steps required to access student results from the EQ OneSchool platform.

1. Access the OneSchool Website at <http://oslp.eq.edu.au>

2. When the website loads the student will need to enter the following

- a. Logon ID (username)
- b. Password

(These are exactly the same as the student would use at school)

3. Check for green “Sign on success” ribbon and that the name and school shown are both correct.

If it is showing another (previous school) please check the drop down list and set Aviation High School as the location.

4. Click “Submit” to confirm the details are correct and to progress to the My Education Plan page

On the My Education Plan page

- 5. Click the “Personal” tab
- 6. Click the “Available reports/Letters” drop down box to open report options
- 7. Select the “Personal” option

8. A PDF report will automatically generate with the student’s “learning snapshot”
